### **New Business**

Recommendations from other Club members requested someone other than the Executive Committee revise the Club By-Laws, the Executive Committee thought this was a good idea and reached out to Museum Ambassador Barrett B. The request was to completely go through the Club By-Laws and bring them up to date. Members are welcomed to send suggestions to improve the By-Laws. Barrett will use his discretion on what should be added or removed from the By-Laws. Also, Barrett needs proof readers to go through the By-Laws. Contact Barrett if you would like to help out. This is a tough job so let's support Barrett on his requests! Remember this is "your" Club By-Laws and will be voted on once completed.
