Museum Report: Given by our Museum Representative Barrett Benson

Open discussion:

With the leaving of Dave Burritt who is the club web-site coordinator we will need to have someone to step into that position.

Kathy Nemeth-Kellett reminded the club that with the lower membership of the club that it is now time to decided what we wish to make of the club. Do we want to grow and increase our members and become more active in our programs or become more of a social type of club. Please be considering this for our next meeting.

At approximately 8:00 PM a motion was made to close the meeting which was seconded and the passed.
